*** EXCLUSIVE DESIGN AND UNBEATABLE VIEWS, IN AN ENVIRONMENT WITH ALL THE COMFORTS, EQUIPMENT, LEISURE, FUN AND GASTRONOMY ALTERNATIVES !!!!

*** MAGNIFICENT SKY VILLA WITH INCREDIBLE SEA VIEWS, 128 USEFUL SQM AND 48SQM TERRACE !!!
POOL POSSIBILITY !!!

Low-density closed residential complex, as it only consists of 27 exclusive homes, divided into two blocks within the recognized and demanded community of Reserva del Higuerón. 3 homes per floor. 2 penthouses in one building and one only in the other. Closed urbanization with video surveillance, underground parking and storage included. And of course, its own indoor Spa with Gym and Sauna.

The homes are built to the highest quality specifications and represent avant-garde architecture. All units are southwest facing with large terraces.

SEA VIEWS

The best location at the highest point of Reserva del Higuerón assures us the most spectacular panoramic views of the coast and the Mediterranean Sea, feeling how the sea offers you as part of your new life. All this combined with the green environment, the tranquility of the area and the acoustic insulation of the road.

Located between Benalmádena and Fuengirola in the prestigious area of Higuerón, it places you in a strategic position to enjoy all the activities, services and facilities in the surroundings and excellent connections to enjoy the Costa del Sol either by train or by car, just 15 minutes from Malaga and 10 from the airport.

*** THE PERFECT COMBINATION OF OUTDOOR SPORTS, LEISURE, GASTRONOMY AND GOOD WEATHER.
WITH SELECT QUALITIES !!!

*** LET'S GO, HURRY TO CHOOSE YOURS, THEY ARE FLYING... !!!

Built in a unique natural environment, with greenways for exclusive use that include trails and urban gardens. It offers large green areas, two large Infinity pools that are designed to blend in with nature and the views.

Details and quality matter, the most innovative and ecological materials on the market, spaces tailored to the client with a multitude of options at their disposal to make the house of your dreams come true. We go beyond the best qualities and services, adapting to the needs of the most demanding people.

A new concept of efficient housing with an innovative design and an interior-exterior projection that brings in contact with a natural environment.

BACK TO NATURE

It was born with a clear concept of integration, built in a unique natural environment, respecting the native species of the area and counting on the largest greenway for exclusive use with trekking paths, urban gardens and natural spaces where you can enjoy the pure air and the spectacular views.

A wide variety of included services and amenities in the surroundings:

Ecological Gardens Green Areas, more than 100,000m2 of Sustainable Gardens, Picnic and Relaxation Areas, Bike and Pedestrian Lanes, Walking and Jogging Trails, Pet Parks ...
