First time on the market since construction in 1988 this property has been the singular beloved family home of the current owners for it's entire existence to date. A charming high quality split level property offering very spacious entertaining in its grand salon with dining area and fireplace. The large well stocked garden is all on one level and enjoys magnificent panoramic views towards the sea and mountains. Central to this oasis of tranquillity is a good sized swimming pool. The third bedroom is currently in use as an office and fitness room. There is a good sized walk in wardrobe adjacent to the second and third bedrooms. The master is a comfortable and ample room with a complete en-suite bathroom. The family bathroom has a shower. The kitchen is well equipped and gives access to the laundry room. Outside there is a small building currently used for storage. A great find, not to be missed.
