The View Marbella is an architectural project that will start with seven emblematic buildings that will house 49 spacious homes integrated between gardens, in an exclusive boutique resort atmosphere.

The project will be completed in the second phase by 70 new homes.

Each plan has been studied in detail to optimize the interior spaces, natural light and splendid views. The construction has the best materials and quality finishes.

The project is located between Marbella and Benahavis, close to beaches and urban centers.
