Stunning contemporary apartment in the heart of the Benalmadena Pueblo with walking distance to tapas bars, restaurants, cafe's, shops and amenities.

The building is constructed by the renowned quality builder Arena2000 in 2002.

There is a lift and the apartment has built in air condition.

Marble floors throughout and a brand new modern bathroom.

Furthermore, there is a sunny rooftop terrace with a swimming pool. You certainly do not see this often in a City Center apartment.

Parking can be bought separately for €25,000
