Fantastic villa in the Exclusive Urbanisation of Torremar, Benalmadena Costa.

This Villa is built on two levels and is currently set out as two separate properties, each having their own independent entrance, this would make the perfect home for a large family and has great rental potential too!

At the entrance to the property there is a large driveway with ample parking space for at least 4 cars, via the porch area there is direct access to the upper level, the access to the lower level is at the rear of the house down 16 steps.

On the upper level: 3 bedrooms and 2 bathrooms, office, living room with fireplace, kitchen with a terrace overlooking the garden and private pool.

On the lower level: 3 bedrooms and 3 bathrooms, living dining room with fireplace & open kitchen with direct access to the garden and pool area.

The property also has 4 storage rooms, one of which is being used as a utility room.

This Villa is situated at the end of a quiet Cul De Sac and a short distance from the lovely beaches of Benalmadena Costa and Fuengirola. Plenty of potential for private rentals.

Come and take a look around!
