We would like to present to the market this Fantastic 2 Bedroom 2 Bathroom top floor apartment with private Terrace looking over the gardens, swimming pool and down to the sea.

The complex has only 8 apartments and has a very well maintained communal garden and swimming pool..

The apartment is very bright and tastefully decorated. On entering the property you have an open plan kitchen with breakfast bar, living room and sliding patio doors leading to one of the terraces, the terrace overlooks the communal pool and garden and you can also enjoy the nice open view of the urbanisation and down to the sea. There is plenty of space for a patio table and the surrounding wall has been designed for the use of soft seating.

There are 2 double bedrooms, the main bedroom has a walk through closet with fitted wardrobes and there is an ensuite bathroom, the current owner has removed the bath and converted part of the bathroom into storage and also has the washing machine installed and hidden away behind sliding mirror doors. From this bedroom there is also a terrace overlooking the garden and views up to the mountains. The second bedroom is located at the front of the property and has sliding patio doors that open onto a narrow balcony. The complete bathroom with walk in shower is located just off the living area and between both bedrooms.

The property comes part furnished, there is communal gated parking for up to 16 cars. Water is also included in the monthly community fee.

Ideally located close to to the lovely beach of Playa Kalifato. The lively resorts of Benalmadena & Fuengirola are within a short drive, there is also easy access to the motorway via the top entrance of the urbanisation.
