OUTDOORS: UNBEATABLE MEDITERRANEAN SEA VIEWS

A unified design provides spacious communal grounds with uninterrupted lines-of-sight across from the pool to the central "plaza" and through the sprawling gardens. These open areas give the resort a fresh feeling and allows the sunshine to flow throughout. Once inside the property, you are immediately met with an unbeatable Mediterranean Sea view. The master bedrooms have been intentionally positioned to enjoy the same vistas as the main living areas, which combine the kitchen, dining and lounge for a maximised sense of space.

QUALITIES: FREEDOM TO DREAM

In addition, the layouts have been specifically designed to offer the owner a certain freedom to retain or remove walls – perhaps personalising a 3 bedroom property to become an immense 2 bedrooms with expansive central living area or impressive master bedroom suite.
