Unique..... Apartments and Penthouses.

The spectacular and breath-taking views from these apartments offer you the great dream of being able to enjoy life from the top. With panoramic views that will make you feel the wonderful Mediterranean Sea right in front of you. Our inspiration has been the sea and its waves in motion to design the sinuous curves of the roof top reinforced with the colours and composition of the facades. Modern, close and functional architecture where natural light invades all the spaces, making it a unique collection. We have chosen the best materials and finishes of the market: Duravit, Hansgröhe, Technal, Porcelanosa, Zampieri, Saloni, Kaldewei, etc. The reception, with its double height ceilings and the sculptures of the famous Portuguese artist Rogério Timoteo, will make you feel entering to an incomparable collection, where all common areas have been tastefully furnished. Also, a fully-equipped business and meeting centre, infinity pools and mini bubble pools with spectacular views over the bay of Fuengirola make Med One an excellent collection. Only 450m from the seaside and strategically located between Málaga and Marbella, this complex consists of three buildings facing south and composed of apartments of 2 and 3 bedrooms and penthouses of up to 4 bedrooms. The penthouses count with generous interior spaces and terraces with their own mini hot tubs to enjoy the pleasant aroma of the sea in warm days and starry nights. All units count with the most sought after features on the coast: panoramic views to the Mediterranean Sea, dream qualities, a safe environment and all possibilities that resort offers with its incomparable range of unique services on the Costa del Sol: Spa, Sport Club, Swimming, Tennis, Paddle, three restaurants, including Michelin starred.
