Beach house in Benalmadena (Carvajal).

Located right on the beach with private access to the beach.

The house needs an update, but very rarely does one of these houses come on the market.

The house is very 'quirky', with the same owner the last 27 years.

The house is on 2 floors with 3 bedrooms, 2 bathrooms, small kitchen and living room with access to the terrace overlooking the beach.

A small gem which has fantastic views and many possibilities.
