Benahavis, a mountain village 7km from the coast, is situated between Marbella, Estepona and Ronda. Renowned for its restaurants – they call it the dining room of the Costa del Sol – it is above all a picturesque place, where one can find incredible mountain- and sea-views. Boasting 12 of the Costa del Sol's 70 golf courses, and that will go up to 15 in the next couple of years, it is also the hotspot for golf lovers. On top of that, Benahavis has plenty of unspoilt nature where you can walk or ride a bike exploring the fauna and flora and enjoy the fantastic views. Its privileged location, surrounded by peaks, on the foothills of the Sierra Blanca, in the foothills of the Serranía de Ronda and a few kilometers from Marbella and Estepona, with which its municipal area borders, make Benahavís a true artistic and tourist treasure. From its mountains you can see more than 100 kilometers of the Spanish coast and a good part of that of North Africa. Benahavís is therefore a paradise for nature lovers, ideal for hiking and enjoying a unique landscape that is a relaxation for the mind and an exaltation of the senses.

This delightful 2 bed ground floor apartment is close to the nursery and Parque Leonara and walking distance to the local school and amenities, recently refurbished with new double glazed doors and windows and modified inside to a high standard.
