Design Ethos

Light, privacy and space are innate aspects of the residences at Palo Alto, where prestigious architects Villarroel Torrico will unveil one of their most unique and inspiring projects. Following their philosophy of respecting nature and the human scale along with local traditions and customs, they will create modern homes that blend seamlessly with the natural, rural surroundings.

Interiors

Luxurious features and fittings - Palo Alto offers standards that are one step above the rest. Every home will be provided with high quality floorings, LED lighting specifically chosen to create a warm aura, state-of-the-art climate control, fully-fitted designer kitchens and bathrooms and fully-insulated UV protection windows.

Wonderful resort feeling from the very beginning – LOS PINSAPOS represents the highest standard of luxury within Palo Alto.

These 20 luxury apartments in an exposed, pleasantly elevated location form a very special neighbourhood in Palo Alto with plenty of room for privacy.

Residents will have full access to all of Palo Alto's amenities, in addition to a private outdoor cascading infinity pool, gym, spa, Haman and sauna. From here you can enjoy a breath taking panoramic view of the resort, the beautiful surroundings and of course the sea.

World-renowned interior designer, Pedro Peña, brings modern Mediterranean touches into these stunning homes. Featuring customisable finishes and fittings, private solariums and generous terraces.
