Completely Frontline, completely private, completely breathtaking. Situated in one of the most sought after locations on the Costa del sol, this stunning property is the rarest of opportunities. Open unspoilt panoramic views stretch out across the Mediterranean as the property basks in all day sun, whilst high lateral walls, landscaping and the building's elevation add up to total privacy - quite unique. The building's current layout boasts the whole ground floor, pool and terrace and a private 3 bed duplex apartment. Above over two floors stand two more apartments and plenty of sunny terraces. However, if an owner so desired, the whole building could become one exclusive villa. The privileged property is an ideal exclusive villa, a first class business or a mere play-thing with guest accommodation for a discerning and wealthy owner.
